

All Next Week Will Be "Ready-to-Wear Week"

A Tempting Display of Stylish Summer Apparel All Next Week

Come Monday and see what's new in Ready-to-Wear! The past week has been one continuous arrival of new things in Ready-to-Wear. So, we designate next week "Ready-to-Wear Week." Throughout the week, in the Ready-to-Wear section, we hold a display and sale that will surpass in extent and variety any similar event. The cleverest of the late spring and advance summer models will be shown.

In addition to the display of new things next week, we include some timely specials. Indeed, we have spared no effort to make next week one of the most interesting weeks that was ever passed by the Calisher store. So, come and take advantage of it.

Pongee

Waists
Suits
Frocks

Never since the material was first put in use have so many beautiful effects been brought out as we shall show Monday. Pongee silks, which include imported shantung, tussahs and rajahs, are not only beautiful, but very practical and serviceable. They combine wonderfully well with any color scheme, so that every one can wear them becomingly.

Pongee Suits \$25, \$35, \$45, up to \$52.50
Strictly tailored, fancy braided and hand embroidered effects; black, natural, mustard and gray; in misses' and women's sizes.

Pongee Dresses, \$15, \$20, \$25 up to \$50
Beautiful effects and combinations with Persian and Bulgarian bands and contrasting colored silk band trimmings, some with black, red or brown leather belt.

Special Attention to Pongee Waists

Next week, we shall have on display and sale a recent shipment of the new ideas in Pongee Waists. We consider these waists unusually good values at the price—\$3.95.

Linen and Lingerie Dresses

Are actual necessities, with this warm weather. Our showing is now complete—with simple tailored frocks, elaborately trimmed dresses and the exquisitely hand embroidered garments. They come in white and every summer shade. Prices range from \$4.95 to \$87.50—with, of course, all sizes at each price range.

\$1.50 and \$2.00 Waists \$1.00

You will be agreeably surprised, when you come Monday and see these waists. These are, we believe, the nicest waists ever sold in El Paso for \$1.00.

They are fresh, new, crisp waists—white only. They are made of good quality lawn and India linen—open front and open back styles, some with side ruffles. They are daintily trimmed in lace and embroidery, and each waist is neatly made and beautifully finished.

All sizes in the lot, and all of the newest styles. Not a waist that would sell regularly for less than \$1.50, and many of them are worth \$2.00. Extra Special for Monday, and as long as they last.

White Skirts

We shall have on special display next week an extensive assortment of white skirts—linen, line and pique. Both plain, tunic, embroidery-trimmed and embroidered styles are shown—prices ranging \$2.95 to \$20.00.

When the really hot weather gets here shopping will be a task. Why not make the bulk of summer purchases next week—stocks are complete.

Summer Negligees

Thin Silk Negligees will add greatly to your comfort this summer. They are far more comfortable than the stiff, starched, wash garments and don't muss so badly. When you lie down for a nap on a warm summer afternoon the feel of your silk kimono against the throat and arms is delightfully soothing.

We show some wonderfully dainty silk negligees—such as no woman would mind being seen in.

Silk House Dresses and Dressing Gowns—lace trimmed—in white, pink, light blue, lavender and black—\$14.50 to \$30.00. Silk Kimonos, in Oriental patterns, are specially priced \$4.95, \$6.95, \$8.95 and \$10.50.

Dainty Silk Dresses

A silk dress of some kind is always a summer necessity. For "Ready-to-Wear Week" we shall have on display the prettiest assortment of silk dresses seen in El Paso this season. Any silk dress that you may possibly desire can be found in the assortment—as prices range up to

BETTER SERVICE TO CARLSBAD

New Schedule Saves Much Time in Trip to El Paso. Court Busy.

Carlsbad, N. M., April 23.—With the new schedule of train service on the railroad here, the traveling public is afforded a much better connection with trains for El Paso at Pecos, reducing

the time between the Pecos valley and the Pass city about 12 hours.

The case of Dorr & Dorr vs. Dunaway & McBride, an injunction relative to a contract for the sale of cattle, is holding the attention of court this week. There are many witnesses.

Since the jury in the case of the Territory vs. Moore Brothers returned a verdict for conviction, some eight or 10 defendants who have heretofore been arraigned in court and pleaded not guilty, have reappeared and withdrawn their pleas of not guilty and pleaded "guilty." The majority of the cases they were

those who had been indicted by the grand jury on charges for assault with deadly weapons, violating the gaming laws, discharging a pistol unlawfully, and other minor offenses.

As the business transacted by the postoffice is a fair index to the business condition of the community, it reflects most creditably on Carlsbad and the surrounding country that the proceeds of the postoffice in this city are steadily increasing and show a material gain over that of last year. Postmaster Bolton has just had two new sections of lock boxes added to the

free equipment to accommodate the constantly increasing demand.

A movement is on foot among some of the local capitalists for the organization of a new national bank.

SOLOMONVILLE JAIL FAILS TO HOLD PRISONERS

Commissioners Fail to Make Repairs and Court Orders Prisoners Sent to Globe.
Solomonville, Ariz., April 23.—By order of the court, only nine prisoners will be retained in the county jail. The rest

will all be taken to Globe, Ariz., for safe keeping at Graham county's expense.

Time after time the board of supervisors has been recommended by the grand jury to repair and place the jail in a sanitary condition, but the board has failed to do so, hence the present order of the court.

A special session of court will be held here during a part of a week beginning June 20, to take up unfinished matter. Michael Long convicted of criminal assault, will be sentenced at that time. L. F. Vaughn and family have re-

turned to Duncan, Ariz., to reside. Mr. Vaughn has been clerk of the board of supervisors for the past year and a half. He resigned at the last meeting of the board. He is owner and editor of the Duncan Arizonian, published at Duncan.

FRUIT KILLED AND CATTLE POOR AT COLONIA DUBLAN

Colonia Dublan, Mexico, April 23.—The recent frosts have killed nearly all the fruit in Colonia Juarez. Some of the apples are not yet in bloom, but the peaches, plums and pears are dead.

Fruit in Dublan and the mountain colonies has also been destroyed. The people are beginning to look toward El Villa for fruit to eat.

A trainload of Mexican laborers came on Monday evening.

Cattle in the Dublan pasture are very poor, and some of them have died. The management is carrying corn to the fallen and to the poorest and will try in that way to save their lives until the spring grass starts. There have been no winter rains and hope is not very strong for early relief.
